Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

And whereas section 767 of the *Municipal Act* provides, *inter alia*, that, in addition to the functions conferred by that Act, a

regional district has the functions as are provided by Letters Patent or supplementary Letters Patent, and for this purpose the Lieutenant Governor in Council may, on the recommendation of the Minister, provide in the Letters Patent or supplementary Letters Patent further objects, powers, obligations, duties, limitations and conditions for any or all functions requested under that section:

And whereas by supplementary Letters Patent issued on the 13th day of December 1973, the Regional Board of the Greater Vancouver Regional District was granted the function of *Division VI—Labour Negotiations*:

And whereas the Regional Board of the Greater Vancouver Regional District has requested the function of *Division VI—Labour Negotiations* be amended by restructuring the function in accordance with the recommendations of the Greater Vancouver Regional District Labour Relations Committee:

And whereas the provisions of section 767 of the *Municipal Act* have been duly complied with:

Now know ye that by these presents We do order and proclaim that on, from and after the date hereof the following be added to the objects, powers, obligations, duties, limitations and conditions of the Greater Vancouver Regional District:

The function of *Division VI—Labour Negotiations* granted by supplementary Letters Patent dated the 13th day of December 1973, be amended as follows:

(1) By striking out paragraphs 2 (a) and 2 (b) and substituting the following therefor:

"2. (a) A member municipality may advise the regional district that it wishes to retain the regional district to carry on labour negotiations and related ancillary services upon a contractual basis for all or such portion of its employees as such member municipality may designate by notifying the secretary of the regional district in writing of its request, and thereafter, or effective on such date as such member municipality and the regional district shall agree upon the regional district shall so carry on labour negotiations and related ancillary services for such member municipality for such employees; the labour negotiations and related ancillary services on behalf of the regional district will be carried out pursuant to the functions granted by this Division VI.

"2. (b) After one year from the date referred to in clause 2 (a) hereof any member municipality who has pursuant to 2 (a) hereof retained the regional district may discontinue to retain the regional district for labour negotiations and related ancillary services in respect of any, or such portion of, its employees as such member municipality may designate, by notifying the secretary of the regional district, and such notice shall become effective at the expiration at the 24th calendar month following receipt by the secretary of the regional district of such notice other than in respect of any employees for whom labour negotiations are

being carried on at the expiration of such 24th calendar month; in the case of such employees in respect of whom labour negotiations are being carried on at the expiration of such 24th calendar month such notice shall be effective upon conclusion of such labour negotiations."

(2) By striking out paragraph numbered 3 in its entirety and substituting the following therefor:

"3. The annual cost attributable to this function (other than such portion as the regional board shall determine as being attributable to costs incurred in rendering services to other public bodies and the regional district in relation to its own employees) shall be apportioned on the following basis:

- (a) One-quarter (1/4) shall be borne by all member municipalities in the proportion that the net taxable assessment of each participating member municipality bears to the total net taxable assessment of all member municipalities;
- (b) Three-quarters (3/4) shall be borne by participating member municipalities in the proportion that the net taxable assessment of each participating member municipality bears to the total net taxable assessment of all participating member municipalities; and for the purpose of (a) and (b) above, 'net taxable assessment' shall be based upon one hundred (100%) per centum of the assessed value of land and seventy-five (75%) per centum of assessed value of improvements as fixed for taxation for school purposes in the current year, excluding property that is taxable for school purposes only by special Act.

The regional district shall contribute in each year to such annual cost a percentage of such cost which is equal to that portion in the preceding calendar year that the payroll of employees of the regional district for whom labour negotiations and related ancillary services were carried out by the regional district bears to the total payroll of all employees for whom the regional district carried out labour negotiations and related ancillary services."

(3) After paragraph numbered 3 add the following paragraph numbered 4:

"4. (a) There shall be a committee of the regional district to be named the Greater Vancouver Regional Labour Relations Bureau by whom the executive and administration aspects of the functions hereby granted shall be exercised, and such committee shall be entitled to expend any moneys allocated in any budget in any manner as the said committee may determine.

"(b) The committee shall consist of one member appointed by the regional board from its members and one member appointed by the council of each participating member municipality from its own members; each member of the committee shall be

entitled to one vote and no member shall be entitled to more than one vote; each member of the committee shall be appointed annually in December after the first Monday following December 1 and shall hold office until the first Monday following December 1 of the immediately following year or until the appointment of his successor, whichever is later; should any member of the committee resign as such or cease to be a member of the regional board or council which appointed him, he shall thereupon cease to be a member of the committee and the regional board or council, as the case may be, may appoint another from its own members to complete the term of such member; there shall not be any ex officio members of the committee.

"(c) At the time of appointing a member of the committee as contemplated in the first segment of clause 4 (b) hereof the regional board and the council of each participating member municipality shall appoint a member from its respective members as an alternate member of the committee who shall take the place of and have the vote of the member of the committee in the case of any necessary absence from a meeting of the committee, and notice of the appointment shall be given to the secretary of the regional district before the alternate member of the committee may vote on any matter before the committee; all such alternate members of the committee shall remain as such throughout the term for which the members of the committee were appointed unless he resigns as an alternate member or ceases to be a member of the regional board or council which appointed him, whereupon he shall cease to be an alternate member of the committee and the regional board or council which appointed him, as the case may be, may appoint another from its own members to complete the term of such alternate member.

"(d) Members of the committee shall be designated directors of the Greater Vancouver Regional Labour Relations Bureau."

(4) By striking out the figure 4 of paragraph numbered 4 and renumbering the paragraph 5.

And that the Letters Patent, as amended, of the Greater Vancouver Regional District be deemed to be further amended accordingly.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twenty-second day of November in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.
